Venue	Beacon Sport & Fitness, Prosperity Park, Weston Road, Stafford ST18 0BF
Changing Facilities & Toilets	<p>Please can players make every effort to arrive and leave in kit to avoid the use of the changing rooms where possible. The toilets are open as usual.</p> <p>Face coverings are currently required in the public areas within the sports centre.</p>
Pitch	<p>We recommend teams don't enter the cage area until the game before has concluded to facilitate social distancing however if the pitch is free this is not required.</p> <p>Markings are in place within the cage to direct which side of the path to walk on. Social distancing is to be adhered to at all times when not playing.</p> <p>Away teams are to use the full area of the cage beyond the away dugout towards the far fence for the purposes of kit storage.</p> <p>Home teams are to use the full area of the cage before the home team dugout for the purposes of kit storage.</p> <p>To ensure against false alerts via the NHS track and trace app, dugouts are not to be used for kit storage. They are only to be used for the storage of first aid kit and for substitutes etc during the match.</p> <p>Please exit the cage area swiftly after the conclusion of your match to create space for the teams arriving for the next fixture.</p> <p>Currently spectators are not allowed under government regulations therefore unfortunately no spectators are permitted inside the cage with the exception of 1 parent per child for safeguarding purposes.</p>
